

Dear Store Manager/ Buyer,

My family and I would be very pleased if _____ (store name) would carry Red Gold Brands in your stores! We are especially interested in purchasing _____ (brand & product name & size).

The Red Gold company mission is:

“To Produce the Freshest, Best Tasting Tomato Products in the World”

In addition to being the freshest and best tasting canned tomato products, Red Gold Brands are NON GMO Project Verified, Non-BPA/BPS Lined Cans, No Artificial Colors, Flavors or Preservatives, Certified Kosher, Vegan, Gluten Free, Cholesterol & Fat Free, Allergen Free, Made in the USA, Grown Sustainably on Family Farms and 100% Delicious! This company is also involved in the national sodium reduction initiative and is leading the Clean Label Movement.

We also like the fact that Red Gold is a 4th generation family owned company since 1942 and grows their tomatoes in the Midwest (Indiana, Michigan and Ohio). We think their tomato products are delicious and of the highest quality, along with being healthy and nutritious. Red Gold has a full line of tomato products including whole-peeled, diced, flavored diced, crushed, puree, tomato sauce, sloppy joe, pizza sauce, spaghetti sauce, salsa, tomato juices and ketchup.
